DEPARTMENT OF BOTANY

9 October 1954

Dear Joshua,

I have been invited to give a seminar in the Dept. of Plant Pathology at Wisconsin on 19 October on "The Role of Nutrition in the Host-Parasite Relationship." It's my plan to stay the night, leaving for Chicago the next afternoon or evening. If it is not inconvenient, I'd like to visit your laboratory and meet the people working with you. Of course, I welcome the chance to see you again.

Sincerely,

E. D. Garber
