DEPARTMENT OF ZOÖLOGY
BERKELEY 4, CALIFORNIA

July 26, 1951

Dear Dr. Lealberg:

The papers on gynandromorphism

are:

1932 Prae- and Postreduction der Chromosomen!
Die Naturwissenschaften. 20:358-362.

based on:

Goldschmidt, R. and Katsuki, K.

Erblicher Gynandromorphismus

etc. Biol. Zentralbl. 47: 45-54

etc. Ibidem 48: 39-42

" " 48: 685-699

" " 51: 58-74

The Grasshopper work and the papers
of Miss Carothers quoted in Wilson,
The Cell.

It was a pleasure to
meet both of you.

Best regards

R. Goldschmidt
