Madison 6, Wisconsin

Dear Josh,

Thanks for your note of October 15. I am getting along fine, busy as hell, and was glad to hear from you as it has stimulated me to look for the "Gal+Lac- to Gal-Lac+/" culture. This is the first work in the lab for me so far. As soon as I find the culture, I will send it along.

I don't know whether "it is so" for sure.

Sincerely,

A handwritten signature in cursive script that reads "Robert Guthrie". The signature is written in dark ink and is positioned to the right of the typed name.

Robert Guthrie
