

THE PENNSYLVANIA STATE COLLEGE  
SCHOOL OF AGRICULTURE  
STATE COLLEGE, PENNSYLVANIA

DEPARTMENT OF BACTERIOLOGY

September 3, 1953

Dear Josh,

Congratulations on receiving the Eli Lilly award.

I was beginning to fear that you'd be always a  
Bridesmaid, but then sex is always controversial and slow-  
to be accepted especially among bacteriologists.

Keep on publishing and I'll keep requesting  
reports.

Sincerely,

Gene Lindstrom
