Assistant Professor of Genetics
The University of Wisconsin
College of Agriculture
Madison 6, Wisconsin

Dear Dr. Lederberg:

Thank you for your good letter of December 9 and for drawing our attention to a typographical error on page 894 of the paper in question. A series of another four papers on this subject is in the process of publication, and you will certainly receive reprints as soon as they become available.

With best wishes,

Sincerely yours,

Hans Neurath
