Dear Josh,

Will you let me know <sup>just</sup> when you expect to arrive  
in Chicago for the next meeting so that I can make  
plans. It looks like we won't get started until  
Monday morning.

Sincerely,

Aaron Novick

P.S. Also how long you want to stay.  
Incidentally the K-12 light reactivation story  
is proving to be very interesting and I am  
eager to talk with you about it.
