Dear Josh,

Jane and I had hoped to visit you during our vacation, which is the three weeks beginning Monday. Meanwhile, we have been offered a ride to New York City, and so will have to postpone our visit.

McElroy's data stunned me. His organisms must be ~~sex~~atropic to be able to find lovers at a density of 10^6 .

Next week we will be staying at Jane's mother's apartment. The address is c/o Leona Chalkley, ~~1316~~ North Lake Shore Drive, Chicago, Illinois.

Regards to Esther.

Sincerely,

Aaron Novick
