Dear Josh,

I used an October
calendar - your deduction
is correct; I meant True by
Nov 27.

I'll arrive on Northwestern
Dakota "400" at 12³⁰ on Monday.
Can you meet me? If not I'll
come right to the lab.

I no longer have the Frederick
Strains, but Marjorie Bohndorf
(Miller's gal) has them (from me)
and is sending them to you.

By the way, I'll bring
my slides - I can use them or
not as you prefer.

I do not know the
lll S.A.B. My condolences

Alan
