

meilleurs vœux
pour une
bonne et heureuse
année

Paris is wonderful! How we will ever bear Chicago again I don't know. Concerts, plays, opera, ballet, wonderful people & things to see. And a life of leisure (ie. liberation from dishes, vacuuming, etc.) that borders on the libertine. It's really fine. David is blossoming and is the pet monkey of the 17th arrondissement. We recommend Paris without reservation - Best regards, Jane & Leon
