Dear Esther and Josh,

We haven't written sooner because there hasn't been a lot to say except that we've been having a wonderful time. We look forward to seeing you guys and inflicting 2×10^2 kodachromes on you.

Meanwhile I heard from Salva Lucia that you are soon going to Urbana for a visit. I would like to also and wonder when you are going down. I thought of riding with you but perhaps the train will be simplest ^(only 2 hr door to door) since you & I have to go the length of Chicago. In any case let me know your plans.

We want to show the Cavalli's Chicago — Can you work out the best date? When can you visit us to hear what we think the French think?

Love

Aaron & Jane
