NOVICHK

Dear Josh,

What wonderful news!
Jane and I look forward
to meeting Marguente and
David Adam. How about
coming to Eugene at least
this next year for a lecture
and/or pleasure trip? There's
non-stop air service SF - Eugene (1 hr)

We just came back from
a trip to Italy-Yugoslavia. We
had a great visit with Luca & Alba.
(I have had forgotten her name and
called her Bianca). He sure looks
forward to a year at Stanford, and
I hope it works out.

For now please say hello
for us to Marguente. Best regards,
Aaron
