BIOLOGY DEPARTMENT

December 12, 1951

Dr. Joshua Lederberg
College of Agriculture
Univ. of Wisconsin
Madison, Wisconsin

Dear Dr. Lederberg:

I am sending you
herewith some of my reprints related
to the Paramecium bursaria-zoochlorella
symbiosis mentioned in your letter
of December 6.

The subject is treated
more fully in my book, "The Biology of
Paramecium" which is now in production
by Blakiston and which is expected to
appear late next spring.

Sincerely yours,

Ralph Wichterman
Professor of Biology
