Dr. Joshua Lederberg
Department of Genetics
University of Wisconsin
Madison 6, Wisconsin

Dear Joshua:

I shall be very glad indeed to cooperate in your project of reprinting original papers in the field of Genetics of Microorganisms. You may put my name down on the list of potential contributors. Your project would not at all conflict with the textbook on Genetics of Microorganisms, but would as you say supplement it beautifully.

With very best wishes,

Cordially yours,

T.M. Sonneborn
