16th Sept 1958.

Dear Professor Lederberg.

Thank you for the attention  
shown in your reply to my queries, received  
today. I had half expected that the  
difficulties I raised would have been  
anticipated and already dealt with,  
as it now turns out that they have  
been. I shall look forward to hearing  
from Dr Nossal.

Yours sincerely  
A. G. Bateman
