

**PUBLIC HEALTH LABORATORY SERVICE**

*(Directed by the Medical Research Council for the Ministry of Health)*

TRAfford Park 3412

Municipal Building,  
143, Regent Road,  
Salford, 5.

2nd. April 1953

Dear Professor Lederberg,

I accept the offer of an assistanship in the Department of Genetics subject to the conditions as stated in your letter of offer and to the following contingencies:-

1. The securing of a U.S visa.
2. The securing of admission to the Graduate School of the University.
3. The completion of suitable travel arrangements.

I will be able to take up the appointment on, or about, September 17th. 1953.

Yours faithfully,

*A. Bernstein*
