Dear Joshua,

Just a word via a hunny -

1. I won't be here at all this summer - If I visit at all, I may also be giving a seminar to this Aut. Cont. Syst. business, on condition it is unrestricted.
2. I, Sol, Marcus and John have nothing to do with the project, which, I understand, is secret and locally controversial. We do not attend the seminars nor I know what's going on (and don't want to, at least for myself).

I look forward to more exciting news from you at Cold Spring Harbor -

Nothing very new here -

Luria
