Dear Josh,

2.00

I shall visit your distinguished
medical school on Thursday, March 4
and I am of course eager to see you.
A Mr. Cooke (I believe that is his name)
is fixing up my schedule and please give
him a call about a convenient time.

BOWERS

You are to be congratulated on your new
dean - I have known Bob Glaser for
many years and hold him in the highest
regard. He is intelligent, creative and
effective - and he appreciates excellence.

Hoping to see you and regards to
Esther.

As ever,

John Bowers.
