

New York Sep. 19

Dear Lederberg,

Thank you very much for your letter of September 12 -

Following to your suggestion I made a reservation for a flight leaving ^{October} ~~September~~ 4 at 7.48 AM and landing in Madison at 11.10 AM

If plan to stay in Madison for three days from October 4 through October 6 -

Could you kindly make a reservation for me in a hotel? If possible I would prefer a hip hotel because my bookshelf grant is not very large - If you let me know something is happening I would call the hotel and call you just after my arrival.

Thank very much -

your sincerely

Sissani Marni
