Dr. Joshua Lederberg
Department of Genetics
Stanford University School of Medicine
300 Pasteur Drive
Palo Alto, California

Dear Joshua:

It was very good of you to send me the references and additional information on microspheres and microencapsulation. I will look into the sources in the near future; this technical development provides us with a number of interesting things we can do in various capillary beds.

COMROE

Sincerely,

JULIUS H. COMROE, JR., M.D.
