21st April, 1953.

Dr. J. Lederberg,
Department of Genetics,
University of Wisconsin,
Madison, Wisconsin,
U. S. A.

Dear Dr. Lederberg,

Thankyou for your letter of April 12th.

I think that I will be able to make
Madison on June 1st. I expect to spend the weekend at Denver, and my
time of arrival on Monday will depend upon plane connections from
Chicago to Madison.

From May 24th - May 27th I can be
contacted in San Francisco c/- Dr. W. C. Reeves,
William Hooper Foundation,
University of California,
Berkeley, San Francisco,
CALIFORNIA. U. S. A.

I look forward greatly to a discussion
with you of your very exciting work.

Yours sincerely,

(Frank Fenner),
Professor of Microbiology.
