Dear Joshua.

I see you made the cover of TIME. Congrats! I thought I ought to advise you that I finally finished my Ph.D. last August 8. I'm just lazy, that's all. At present I am teaching at the Univ. of Pennsylvania in Phila. here -- we're Ivy League, you know. Well, I'll be here for at least another year, so drop or line -- or if you come to Phila., call me.

My address:

J. EDMAN

572 So 41 St

PHILA 4, PA

EVERGREEN 2-5242.

How's everything in California?

Regards,

Sack
