OFFICE OF THE PRESIDENT

May 19, 1958

Professor Joshua Lederberg
Department of Medical Genetics
The University of Wisconsin
Madison 6, Wisconsin

Dear Professor Lederberg:

Thank you for your letter of May 17. I am glad to know of your views in the field of space flight and I am glad to know your point of view is not unlike mine in this matter.

I am sending you herewith a copy of the address I gave in San Francisco and have given substantially the same material on other occasions.

Very truly yours,

L. A. DuBridge
