Dr. Joshua Lederberg
Professor of Genetics
Department of Genetics
School of Medicine
Stanford University
Palo Alto, California

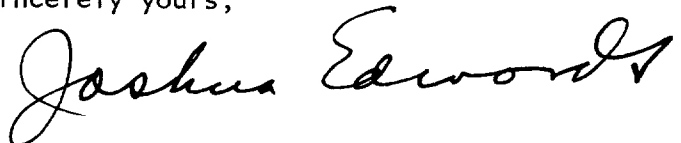

Dear Doctor Lederberg:

Thank you for your prompt reply to our invitation to visit the University of Florida in the coming year. I am extremely sorry that your previous commitments will not allow this and hope that you will be able to come in the following year.

I would appreciate your considering this now and if possible for you to accept our invitation this far ahead, we would be glad to make arrangements for a time now or at your convenience.

With kind regards,

Sincerely yours,

A handwritten signature in black ink that reads "Joshua Edwards". The signature is written in a cursive style with a checkmark at the end.

JOSHUA L. EDWARDS, M. D.
Professor and Chairman
Department of Pathology
