Dear Luca

Joshua & I are very pleased  
you are able to manage your trip to Stanford  
this summer. We can well understand that Alberto  
is unable to come on this particular occasion.

As for housing we're sure that Leo's secretary  
will be quite efficient rounding up possibilities  
that interest you. We of course expect you to  
stay with us when you arrive, and will  
naturally meet you at the airport. If you  
let us know the details, the, as for wishes  
from Italy. Joshua still wants very much a pair  
of ostrich gloves if obtainable

Ciao
