Personal memo from
JOSHUA LEDERBERG

Dr. David Hayward
John Jones

Mother papers.

Dear David -

Could you refer this to your
archivist?

I'd be very grateful if my own
correspondence with Ruth and Mother
could be located in the archives.

In particular the "fruitful corres-
pondence of [1947]".

I am enclosing copies of all I
have.

Sincerely,
Joshua Lederberg
