Dr. Josh Lederberg
Department of Bacterial Genetics
University of Wisconsin
Madison, Wisconsin

Dear Josh:

I wouldn't dare try to compete with Rollin Hotchkiss for poetic expression or meaningful reminiscences—but I do want you to know what pleasure it gave me to hear your Harvey Lecture last night. After all, I too knew you when, and it was a big thrill for me to hear your charming, polished multi-dimensional presentation of your work. Best regards.

Sincerely yours,

Sylvia Frank
