Dear Joshua,

I shall be passing through the States in the second week of September, and wonder whether I could see you for a short while, to discuss some results we have which do not seem to fit into any of the theories on the production of antibodies.

I shall be in New York between 4th and 9th Sept., staying at the Henry Hudson Hotel (353 West 57th Street, New York 9.). If you could let me know whether there is a time convenient for you, I could adjust my plans since my plane bookings out of New York are open.

Until then, all the best to Esther and yourself. from Stephen Fajekas.
