Dear Josh,

I was glad to get your letter & to hear that you were performing some *Abu* recombination experiments

for had a ~~valuable~~ & stimulating trip so far; there were
got the ~~staring~~ lecture of my mind (last Thursday)

A few days ago had a letter from Dryden
Wolke, & a arrangements are in hand for my visit
to Wisconsin - which will be on Wed Thurs 20-21 Nov.

Sorry that you & Esther can't be there, but I'd very much like
to get your views on animal virus genetics after your
experience at the Hall Institute

Thanks for your suggestions about people to see
in Madison; I'll try to see some of them.

Best wishes to Esther & yourself

Frank

If you do happen to want to visit open before I
get to Madison % Miss G. M. Worshafe
