Dr. Joshua Lederberg
Department of Genetics
The University of Wisconsin
College of Agriculture
Madison 6, Wisconsin

Dear Dr. Lederberg:

Dr. Glass sent us your copy of Alan Gregg's paper for us to consider the possibility of reprinting it. We have decided not to do so, despite its great interest, for reasons that will be apparent in the copy of my letter to Dr. Glass which I am enclosing. Thank you for your interest.

Sincerely,

Graham DuShane
