

Atoms for Peace Awards, Inc.

A MEMORIAL TO HENRY FORD AND EDESEL FORD

77 MASSACHUSETTS AVENUE, CAMBRIDGE 39, MASSACHUSETTS

February 16, 1962

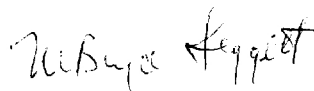

Professor Joshua Lederberg
Department of Genetics
School of Medicine
Stanford University
Palo Alto, California

Dear Professor Lederberg:

I wish to acknowledge, on behalf of the Trustees of Atoms for Peace Awards, your letter to Dr. Detlev W. Bronk supplementing your nomination for the Atoms for Peace Award of Dr. A. D. Hershey and Dr. Arthur Kornberg.

Your appraisal of their contributions will indeed be helpful to the Trustees in their deliberations.

Very truly yours,

M. Bryce Leggett
Executive Secretary
