Iowa City, Iowa

Dear Dr. Porter:

Please find enclosed a manuscript entitled "Regulation of enzymatic activity in the intact cell. The -galactosidase of Escherichia coli".

I wish to submit this article for your consideration for publication in the Journal of Bacteriology. At the same time I wish to appoint Dr. J. Lederberg of the Department of Genetics, University of Wisconsin to handle any further matters with regard to my manuscript.

With best regards.

Sincerely yours,

Boris Rotman
