Nov 16th 53

Dear Dr Lederberg,

Since I have not yet had a reply to my letter written from Paris in late September, I am now beginning to wonder if you ever received it. Perhaps you have been away.

Anyway, I would be most grateful for any recombining strains of *E. coli* other than K12 - its mutants; for the reasons I have gone into in that letter.

Thank you in anticipation

Yours sincerely

Denis Poulby
