Dear Josh:

I was delighted to receive on Friday the news that as of January 1, 1972, you will have transferred your Academy affiliation to the Genetics Section. We are all truly pleased to have you with us.

Enclosed is a list of the current membership of the Section, with addresses. You will be pleased to know that Jim Crow has been elected Section Chairman, to succeed me on July 1, 1972.

With the season's warmest regards,

Sincerely,

Ray D. Owen  
Chairman, Genetics Section
