

COLLIS P. HUNTINGTON MEMORIAL HOSPITAL
HARVARD MEDICAL SCHOOL
BOSTON

Tuesday January 23rd

My dear Dennis -

Without being able to say what your chance
of an internship at The M.G.H. are, I can say that
they are tending to take men from away (and
that means Hopkins as much as anywhere) almost
in preference to Harvard men. So as to the Exam.
it is a real Examination but of course one
wants to be known too.

I should think you would not have any
better chance at Presbyterian & I know nothing
about Cornell except that it is a very
handsome Building.

It would be better for you to
wait till October to transfer, as the best
people will be back from vacation then.
I don't think taking surgery here would
jeopardize you elsewhere.

I hope this is what you want. With
Roger send regards

Sincerely

Austin Jones
