

**THE
SURGEON
GENERAL
WORKSHOP ON
SELF-HELP
AND
PUBLIC HEALTH**

Los Angeles, California
September 20-22, 1987

U.S. DEPARTMENT OF HEALTH & HUMAN SERVICES
Public Health Service
Health Resources and Services Administration
Bureau of Maternal and Child Health and Resource Development

I believe in self-help as an effective way of dealing with problems, stress, hardship, and pain ... Mending people, curing them, is no longer enough; it is only part of the total health care that most people require.

C. Everett Koop, M.D., Sc.D.
Surgeon General, U.S. Public Health Service

ACKNOWLEDGEMENTS

The Surgeon General's Workshop on Self-Help and Public Health was supported by grants from the following organizations:

The Office of Maternal and Child Health
Bureau of Maternal and Child Health
and Resources Development
Health Resources and Services Administration
U.S. Public Health Service
U.S. Department of Health and Human Services
The W. Clement and Jessie V. Stone Foundation
The California State Department of Mental Health
The Exxon Corporation
GTE of California
Kaiser Permanente of Southern California

The workshop was conducted under the direction of Heddy Hubbard, R.N., M.P.H., Office of Maternal and Child Health, U.S. Public Health Service. Mark Mayeda of the California Self-Help Center was chairman of the planning committee and moderator of the workshop.

Overall workshop coordination was by Marilyn Ruiz and Annette Nussbaum of the Illinois Self-Help Center. Site coordination at the University of California, Los Angeles, was directed by Carol Eisman and Nerissa Leonardo of the California Self-Help Center.

This report was prepared by Peter L. Petrakis, Ph.D., M.P.H., Life Sciences Editorial Service, Annapolis, Maryland.
