When the men are provided with their descriptive rolls, there will be no delay in discharging them after their certificates of disability are noted on. But if they have no descriptive rolls, application will be made to the Company Commander for the proper discharge papers, and the men may be retained at the hospital a reasonable time while awaiting them, to avoid their being turned off without means of support. The discharge will, in all cases, bear the date when the papers are actually furnished the soldier. (See note.)

4. When a man is received in any hospital without his descriptive roll, the fact will be immediately reported by the Medical Officer in charge to the Military Commander, who will at once call on the Company Commander, in the name of the Secretary of War, promptly to furnish the military history of the man, and his clothing, money, and other accounts with the Government.

5. When too long a delay would arise in discharging the man because of the remote station of his company, application will be made
