X..Acceptance, or non-acceptance, of appointments, and, in case of acceptance, the *birthplace* of the officer appointed, his *age* and *residence* when appointed, and his *full name*, correctly written, will, in all cases, be promptly reported to the Adjutant General.

XI..With the exception of those detached from their regiments on special duty, or unable from some valid cause to comply with the order,

the officers promoted and appointed will join their proper regiments, companies, and stations without delay. *Those recently appointed who fail to do so within a reasonable time will be considered as having declined their appointments;* and those who deem themselves included in the exception just above made will immediately submit a statement of their case, through the proper channel, to this office for further consideration.

XII.. In case of the death of an officer, it is hereby made the duty of his immediate commanding officer to report the fact at once, *direct to this office*, stating the *cause, date, and place*.
