Apparatus for Fractured Clavicle.

DR. FOX'S, IMPROVED BY DR. BARTLETT.

This Apparatus has been tested in the Massachusetts General Hospital, and by several of our best Surgeons, and found to be the most convenient as well as the most efficient Apparatus ever used.

The following Note from HENRY G. CLARK, M. D., City Physician, is proof of its usefulness:—

BOSTON, JAN'Y 31, 1855.

DEAR SIR—I desire to thank you for the Specimen of your Apparatus for Treating Fracture of the Clavicle, which you sometime since sent me; and to say, that from my experience with it in two or three cases since, I consider it *by far the most convenient and efficient* Apparatus I have yet seen.

Yours Truly,

HENRY G. CLARK.

DR. G. BARTLETT.

 *Sharpening and Repairing, promptly and neatly executed at this Establishment.*

FINE POCKET CUTLERY.

We manufacture 1, 2, 3, 4, 5 and 6 bladed KNIVES, of every desirable shape and finish, with Pearl, Shell, Ivory, Horn, Buffalo Horn and Stag Horn Handles. Also, Pruning, Budding, Hunting, Bowie, Farriers, Pricking, Fruit, Nail, Corn, Dirk and Sheath KNIVES; all of which are warranted superior to the imported. Also, an assortment of Pocket CUTLERY, from several of the best Sheffield makers, viz: Rodgers & Sons, Jona. Crooks, Wm. Bagshaw, Geo. Wostenholm, and others—the whole making one of the best assortments to be found in Boston.

SCISSORS.

We manufacture the finest Lace, Embroidery, Flower, Pocket, Button-Hole, Lamp and Surgeon's Scissors. Also, Scissors made to order to fit cases.

SHEARS.

Bank, Paper, Gold Leaf, Clipping, Cutting-Out, Hair-Cutting and Garden Shears of various qualities.

SCISSORS AND SHEARS.

R. HEINISCH, patent, with *Black Handles*, the best article yet known in this country, every pair warranted for utility, viz:

Scissors,	3 sizes,	Paper Shears,	3 sizes,
Tailors' Trimmers,	7 sizes,	Clipping "	3 sizes,
Tailors' Shears,	8 sizes,	Gold-leaf "	3 sizes,
Bank Shears,	5 sizes,	Button-hole "	8 sizes,
	Left-handed Shears,	4 sizes.	

We caution the public in regard to purchasing the Black Handle variety of Shears and Scissors, as there are many imitations palmed off as a good article.

None but of *R. Heinsch's* Patent are really good.

RAZORS.

We manufacture forty different patterns of RAZORS, comprising every possible shape and weight, viz:

Heavy Rattlers, Wide and Thin Rattlers, Concave, Frame Back, Chinese Pattern, Silver Steel, Damascus Steel, and other patterns in variety, with Tortoise Shell, Pearl, Ivory, Stag Horn, and Buffalo Horn Handles, all of which are warranted, in the strict sense of the term.

Also, the celebrated **Swiss Razors**, made by Jaques Lecoultre Au Sentier.

Also, the celebrated **Plantagenet Razors**, with safety guard, which renders it impossible to cut a flesh wound. It is a capital article for sea-faring or nervous persons.

• • •

TOILET ARTICLES

In the form of Dressing Cases, Shaving Cases, Razors in sets. The best quality of Razor Strops, Shaving Soaps and Creams, Shaving Brushes, &c., &c.

• • •

TABLE CUTLERY.

We manufacture a really good article of **TABLE CUTLERY**, from the best quality Sanderson Bros. & Co.'s Cast Steel.

Also, Sets of Knives and Silver Forks, in Rosewood, Ebony and Mahogany Cases.

We can confidently recommend the above superior to the imported, from the fact that most of the imported Table Cutlery is made of *Shear Steel*, to make it cost lower. Also, Silver Plated Table Cutlery.

CORK SCREWS.

We manufacture the best **CORK SCREWS** that can be found, and we will warrant one of our make to outwear three of any other manufacture.

SARDINE OPENERS,

Of the best possible shape and quality.

OYSTER KNIVES,

Of a variety of shapes and of best spring temper.
