

United States Senate,

COMMITTEE ON PRINTING.

29 May, 1924

Dear Dr. Kolb:

The Senate Committee on Printing will meet at 2:30 Tuesday afternoon (June 3rd) in the room of the Committee on Printing, Gallery floor of the Capitol to hear Richard P. Hobson and others in connection with a resolution introduced by Senator Capper at the suggestion of Mr. Hobson to print an article entitled "The Peril of Narcotics." In view of your knowledge of narcotics and your official position on the Advisory Committee, Federal Narcotics Control Board, I am writing to ask if you will be good enough to appear before the committee and give your opinion regarding the advisability of printing this article.

Sincerely yours,

Surgeon Lawrence Kolb,
Public Health Service,
Washington, D. C.
