U. S. P. H. S.,

Dear Doctor Kolb:

I have been out of town the past two (2) weeks the greater part of my work was devoted to the study of the cases you mentioned in your letter. We cooperate with the Federal authorities and I frequently study cases for the narcotic-division. If you will come to Philadelphia sometime when I am in the City I will arrange to have you examine all the cases that are available. Personally I will be glad to help you and would suggest that you get a letter from Col. Nutt or Mr. Blumhard to Mr. O.A.H. Dr. Lagardie the agent-in-charge at Philadelphia. - he has agents located in Pottsville, Scranton, Altoona and Harrisburgh. I will take up the matter with our Bureau however I would suggest that you give us sufficient time to get these cases together. Let me hear from you.

Sincerely yours,
John H. Remig
