Doctor John H. Remig  
Philadelphia, Pa.

My dear Doctor Remig:

I have your letter of April 25, and wish to thank you for your offer to cooperate in getting me certain cases to examine. You suggest that I wait and give you time to get them together. This is satisfactory to me as I do not wish to come to Philadelphia, or any other city you mention, immediately.

What I want to examine are cases who are receiving narcotics from physicians or who are considered legitimate addicts. I assume you have the names of a number of these and I hope that it will be possible to get in contact with quite a few of them without much delay or trouble. Any of the cities that you mention in which arrangements can be made will be satisfactory to me. I will bring a letter from Colonel Matt to Doctor Lagardia when I come.

Awaiting word from you, I am

Sincerely yours,

Lawrence Kolb,  
Surgeon, U.S.P.H.S.
